

## General Access Rules – North Cascades

- General access areas are open to non-motorized use, and in select areas during certain times of the year, motorized access.
- Non-motorized uses include hiking, horseback riding, and biking.
- **No** ATV's, motorcycles, or e-bikes.
- **No** vehicles are allowed off of rocky roads.
- **No** target shooting.
- **No** access in areas of active operations, including logging, log hauling, road construction, etc.
- **No** camping or fires.
- **No** dumping of garbage, refuse, or yard debris.
- **No** forest products may be removed without a permit.
- **No** entry or travel after dark.
- Do **NOT** block gates.
- Open gates do not necessarily mean it is open for motorized access, and gates may be closed at any time.
- The privilege of access to Hampton lands may be revoked at any time.
- There is no assurance the Hampton lands or roads are safe for **ANY USE**.
- In no way does Hampton's general access policy grant access through neighboring landowners to land locked parcels.
- Lands may be closed at any time, for any reason, including but not limited to extreme fire danger. Check the website for closures prior to visiting the property.

**For questions, contact Hampton at (360) 424-2014.**
