

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

Hampton Resources Inc.

9600 SW Barnes Rd, Suite 200, Portland, Oregon, 97225, USA
with sites according to Annex A

meets the requirements of the standards noted below (the Requirements).

Sustainable Forestry Initiative® (SFI) 2022 Fibre Sourcing Standard

Sustainable Forestry Initiative® (SFI) 2022 Forest Management Standard

Scope of Certification

Fee Land management and procurement programs in British Columbia, Washington and Oregon at the nine operations listed on the Certificate, including forest management and procurement policies, practices and systems managed from the Portland Head Office.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management system assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The SFI standard can be found at www.sfiprogram.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of March 20, 2024.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
